There will be signs on the property to guide you.

Once you are on Hwy 36 South from Hwy 59, on your left you will see the Rosenberg Civic Center, then the Fairgrounds will be on your right. The Traffic light is Band Road, which is 1 mile from 59.

1. Go to the traffic light. This is Band Road. EMS is on your right—it's a new building. Turn right at this light. Take the 2nd drive to the right —this is the community center and drive straight to the white fence. The community center, and all of the Extension Service Buildings will be on your left. At the fence, turn left, you'll see the education center. Park.

OR:

2. Get into the right hand turn lane, and turn. This is just past the main entrance to the Fairgrounds, and you'll see a picnic area. Go to the 4-way stop, turn left. You are now looking at the back of the main buildings which face Band Road, and you'll have a white fence on your right. Turn right at the driveway at picket fence—and you're looking at the front of the Education Center. Park.
