Tree Planting & Ceremony

Saturday, January 24th, 9:00AM-11:00AM
Tree Mulching

Ridgeview Park-3902 Ridgeview Dr, Missouri City

Become a part of a one of a kind partnership between CenterPoint Energy & the City of Missouri City, by volunteering at this free, family tree planting event. Volunteers will have an opportunity to get their hands dirty, while learning about great trees that are hardy to our community and appropriate to plant near powerlines. Please bring gloves, close-toed shoes, and dress for outdoor work. Tools and cold drinks will be provided.
